

Woods and Meadow

Side by Side Classic

June 27-29, 2024

Welcome to the first annual Woods and Meadow Side by Side Classic! We are excited and grateful to take over this event from Duluth Double Gun. We know we are new to the side by side world, but we will try our best to continue this tradition. Many thanks to the Duluth organizers for their help and for thinking of us to host this event!

MAIN EVENT

The main event will take place Friday and Saturday and consists of an 80-target Sporting Clays, 80-target Upland Double Flush, 30-target 5-stand, and 30-target Pigeon Ring. The main event will be squadded and must be shot with a side by side. For each main event, scores will be ordered from highest to lowest. Shooters will receive a rank (i.e. 5th, 31st, 122nd) for each event. Each individual's rankings will be added up across the 4 main events. The shooter with the lowest total ranking (closest to 1) will be the main event HOA and will be awarded the belt buckle. Lewis class will also be available.

REGISTRATION

The main event will be limited to 150 entrants. Please fill out the registration form, one per squad member (5 in a squad max), and send with payment to Woods and Meadow. Please find the registration form on our website: woodsandmeadow.com

In the case of cancellations, Woods and Meadow will refund:

\$250 until June 1

\$200 from June 1-21

No refunds after June 21

THURSDAY OPEN SHOOTING

The **Sporting Clays** course will be 8am till last squad out at 4pm. Participants can take a count up card and shoot as much as they want. The cost will be on a per-target basis. Thursday sporting clays can be shot with any type of gun and will be open to the public as well.

The entrant with the highest score will win a 10-pheasant hunt. This event is only offered on Thursday, as the traps will be changed afterward for the main event. The Pheasant Challenge must be shot with a side by side in order to count for score.

The **All Bore** course will be open on Thursday and can be shot for score. The All Bore can be shot as many times as you want with any bore. Each individual's highest score per bore will count for the competition. The All Bore must be shot with a side by side in order to count for score.
